RE: City of Cedartown
Opportunity Zone designation

Dear Chairman Odom:

Congratulations, your application for Opportunity Zone Tax Credits has been approved. Businesses within the Opportunity Zone boundaries as outlined on the enclosed "official" map may begin taking the credit on jobs created on or after January 1, 2010 provided a minimum two net new jobs are created. Please note the approved Opportunity Zone map, will soon be published on the Department's website and is available to all interested parties.

As part of the Opportunity Zone Tax Credits, businesses which are unable to use the credit against their Georgia Income Taxes may claim the excess credit against their withholding taxes. Please note that in order to claim the benefit of the withholding tax credits, the business must follow specific steps to insure that the credit may be claimed against withholding:

- (1) Create at least the minimum number of jobs to create eligibility;
- (2) File Form IT-WH at least 30 days prior to filing the Georgia Income Tax Return on which the credit will be claimed;
- (3) File the Georgia Income Tax return by the due date (or extended due date) with a completed Form IT-CA to claim the Job Tax Credit for the Opportunity Zone;
- (4) The Department of Revenue will send a letter to the business within 90 days of the date the Georgia Tax Return was filed stating the amount of credit available to claim against Withholding Taxes and when the business may begin claiming the credit; and
- (5) The business claims the credit against its Georgia Withholding Taxes.
