All water bills are due and payable the 10th day of each month. If the bill is not paid by this date, an automatic 10% late charge will be added to the past due balance and the total bill amount becomes due before the 25th of the month following the billing date. Applicant is responsible for all charges until applicant has requested service to be terminated in his/her name. If a past due amount is shown on the bill, the full amount due must be paid or service will be discontinued without further notice. Additional charges will apply for restoration of service and any other costs incurred in settling your account. Failure to receive a bill does not entitle delayed payment. There will be a \$30.00 charge for all checks returned due to insufficient funds or closed accounts.

I understand, and hereby agree to the following: (1) falsification of any of the above information may result in immediate disconnection of service without notice; (2) failure to pay account in accordance with the City of Cedartown's policies will result in disconnection of service; (3) all water going through the meter is the customer's responsibility – any leaks that are repaired may be given a cost adjustment on the water/sewer portion of the bill up to \$750.00 a year if you have leak protection upon submittal of repair receipt or plumber's bill and verification of repair; (4) failure to pay final bill will result in account being submitted to collections – I will as a result, be responsible for all late charges and collections costs; (5) no one living in my household has an outstanding balance owing the City of Cedartown; (6) water is temporarily connected until records have been verified and approved.
